Shawn, would you like ORC to come up and brief you on the changes made in the AOC Mod?

The major aspects of the modification are as follows:

# Ex. 5 AC/AWP/DP

## Ex. 5 AC/AWP/DP

Please let me know what works best for you.

The DuPont Washington Works lit team lawyers just informed Cynthia Giles that we believe that we will get a signed agreement with DuPont/Chemours. We have come to agreement on the language of the AOC Modification. **Ex. 5 AC/AWP/DP**

## **Ex. 5 AC/AWP/DP**

**Ex. 5 AC/AWP/DP**

Region 5 management has been advised of the current status in this case this morning.

It has been agreed that Region 3 will take the lead in public affairs/press release matters, in coordination with Region 5 and OECA. **Ex. 5 Deliberative Process (DP)**.

We are planning to move the concurrence process through as quickly as possible. I will be working from now until New Years (with the exception of this Friday), and will keep you advised as this case progresses.

FYI, the jury started deliberating this morning in the most recent PFOA lawsuit against DuPont/Chemours. I expect a verdict shortly. The next trial is scheduled for January 17<sup>th</sup>.
